SPECIFICATIONS

Material: High Density Polyethylene

Hardware:

T-nuts: Zinc

Shoulder Bolts: Yellow zinc chromate

Plate: Galvanized Steel

Colors: Black, yellow or white

Installation

- 4 anchors - Impact Traffic anchor kit (recommended)
- Epoxy

Upright Support: Supports all Impact Traffic uprights that utilize our *Quick Release* spring type.

RECOMMENDED USE

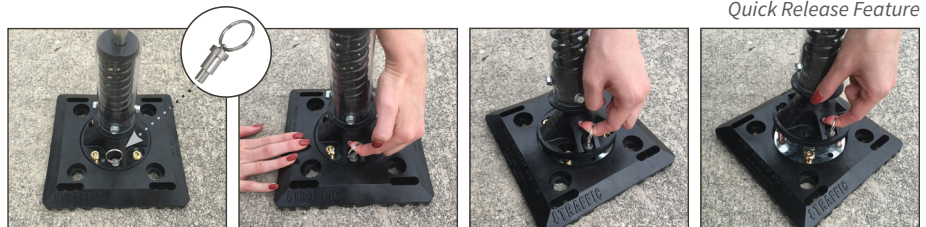

- Permanent applications

Take care to avoid creating a trip hazard when using any sign in the presence of pedestrians. Ensure that sign bases are outside pedestrian travel areas.

Quick Release Advantage

Change out or remove uprights in less than five seconds, without the use of tools or special equipment. To remove the upright, simply pull the keeper pin, rotate the assembly 15° and lift.
