BASE OPTIONS

This product can be used with:
One Base® Portable Quick Release Base;
or
Surface Mount Fixed Base; or

Drivable Base

SPECIFICATIONS

- Post is constructed of white powder coated aluminum to prevent warping and remain straight.
- Unit has a reactive spring assembly that allows the sign post to be bumped by vehicles, rebound, and return upright.

RECOMMENDED USES

- For permanent use within parking lots and parking garages.
- Asphalt, concrete, or in-ground installation
- Take care to avoid creating a trip hazard when using any sign in the presence of pedestrians. Ensure that sign bases are outside the pedestrian travel areas.
