

PRODUCT BULLETIN

Date: October 7, 2020

Products Affected: Impact Traffic OmniPed & MetroFlex Bollard

Change: Product Discontinuation

Due to supply chain difficulties and strategic product direction, the Impact Traffic blow molded OmniPed Pedestrian Sign and MetroFlex Bollard will be discontinued. This will not affect other lines of pedestrian signs such as our standard In-Street Pedestrian Sign

Some stock still exists in our warehouse and will be sold until depleted. At that time, no further sales nor replacement blow molds will be available.

If you have any immediate needs or questions regarding current stock, please contact customer service at +1 210 736 4477.
