"Performance for a Safer Tomorrow"

PRODUCT BULLETIN

Date: July 7, 2017

Products Affected: Tuff Curb XLP Couplers

Change: Discontinuation

Due to lack of sales volume and low profitability, this product is discontinued effective immediately.

The Coupler was developed to provide a continuous look to the Tuff Curb XLP longitudinal channelizer however customers have found no need for the added cost of the coupler for a minor aesthetic enhancement. Further, water collection without scuppers was a concern.
