## EU DECLARATION OF PERFORMANCE

No.: MP2-01

- |                           |                                                                                |           |
|---------------------------|--------------------------------------------------------------------------------|-----------|
| 1. Product Identification | MP2 Flex Post Delineator                                                       |           |
| 2. Intended Use:          | Flexible Traffic Delineator Post                                               |           |
| 3. Manufacturer:          | Impact Recovery Systems, Inc.<br>4955 Stout Drive, San Antonio, TX, USA, 78219 |           |
| 5. System of AVCP:        | System 1                                                                       |           |
| 6a. Harmonized Standard:  | EN-12899-3:2008-02 Delineator Posts and Retroreflectors                        |           |
| Notified Body:            | Number: 1148<br>Name: OCAB-OCBS                                                |           |
| 7. Declared Performances: |                                                                                |           |
|                           | Type D2, R1                                                                    |           |
| 6.4.1.1                   | Resistance to horizontal loads                                                 | Pass, WL2 |
| 6.4.1.3                   | Performance under vehicle impact                                               | Pass      |
| 6.4.2.1                   | Impact resistance (reflectors)                                                 | Pass, DH2 |
| 6.3.1                     | Daytime chromaticity and luminance (post)                                      | Pass      |
| 6.3.2.1                   | Daytime chromaticity and luminance (refl.)                                     | Pass, CR2 |
| 6.3.2.2                   | Nighttime chromaticity and luminance (refl.)                                   | Pass      |
| 6.3.2.3                   | Coefficient of retroreflection R <sub>A</sub>                                  | Pass, RA2 |
| 6.4.2.2                   | Resistance to corrosion                                                        | Pass      |
| 6.4.2.3                   | Water resistance                                                               | Pass      |
| 6.4.2.4                   | Resistance to radiation                                                        | Pass      |
| 10                        | Dangerous substances                                                           | NPD       |

The performance of the product identified above is in conformity with the set of declared performances. This declaration of performance is issued, in accordance with Regulation (EU) No 305/2011, under the sole responsibility of the manufacturer identified above.

Signed for and on behalf of the manufacture by:

Name: Kenneth A. Parrott At: San Antonio, Texas, USA On [date of issue]: October 7, 2020
