**IMPACT
TRAFFIC**
REBOUNDED TRAFFIC SAFETY DEVICES

On average a pedestrian was **KILLED EVERY 2 HOURS** and **INJURED every 7.5 MINUTES** **2015** data

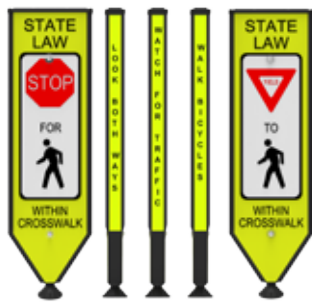

Based on 2015 data published by the U.S. Department of Transportation

PROVIDE SUPERIOR CROSSWALK SAFETY

With Impact Traffic's full line of pedestrian crosswalk signs

These highly visible, flexible signs are **MUTCD compliant** and helpful in alerting distracted drivers of pedestrian crossing zones. They provide enhanced conspicuity at non-signalized intersections and mid-street crossings in order to alert motorists to local laws concerning yielding to, or stopping for, pedestrians in the crosswalk. *Eligible for "Safe Route to School" funding and Federal Govt. MAP-21 (School options only).*

OMIN-PED PEDESTRIAN SIGN

Fully enclosed, blow-molded design features four printable sides for superior visibility.

14" x 48" x 3"
Stop & Yield models

IN-STREET PEDESTRIAN SIGN

Durable component design is cost-efficient and easy to maintain.

12" x 47" x 3"
Stop and Yield models

PED-IN-A-BAG TEMPORARY SIGN

Portable school crossing sign for temporary use. Includes sign, base & protective bag.

Sign: 12" x 43" Base: 28" x 16" x 1.25"
Stop and Yield models

REACTIVE SPRING TECHNOLOGY INSIDE

Built into every Impact Traffic pedestrian crosswalk sign is our patented, anti-twist reactive spring assembly. This unique compression spring allows our pedestrian signs to sustain vehicle impacts from any direction and return to its original, upright position time and time again.
